Project Summary	Indicators of Achievement	Means of Verification	Important Risks and Assumptions
Goal To support our National Governing Body's aim to make rowing available to as many people as possible, keep those people involved, and strive for success in everything – including international success.			
Purpose • To provide safe and organized access to the sport of rowing on our local river. • To develop interest in the sport through indoor rowing. • To provide good publicity for the sport of rowing.			
Outputs 1. To introduce at least 50 newcomers to the sport of rowing in the next calendar year.	New club members and new indoor rowers.	Club and associated organizations' records.	Sufficient equipment and coaching available.
Activities 1.1. Work with local gym to encourage proper use of rowing machines at the gym.	Sessions organized.	Photos and club minutes.	Gym staff remain committed.
